Dear Minister:

On behalf of the Queen's University Faculty Association, we are writing to express our concern about the fate of two Canadian academics who have been detained in Egypt.

As you know, Dr. Tarek Loubani and Prof. John Greyson were arrested by Egyptian police in Cairo on August 17. Given the volatile political situation in Egypt, we are gravely concerned about their safety. We urge you to continue your efforts to ensure their health and wellbeing while in custody and their immediate release.

Sincerely,

Dr. Diane Beauchemin
President,
Queen's University Faculty Association
