Dear Members,

Welcome back!

We invite you to participate in a 10-minute online survey of Queen's University Faculty Association Members that we are conducting in conjunction with the Ontario Confederation of University Faculty Associations (OCUFA).

The purpose of the survey is to provide insight into your views of current issues in Ontario's higher education sector. We are also asking about how you prefer to receive information from QUFA and OCUFA. Finally, QUFA added two questions on merit and equity that are specific to Queen's.

We would appreciate it if you would complete the survey by 17 January, 2014. You can access the survey by clicking this link: <http://ocufa.on.ca/ocufa-and-member-faculty-association-fall-2013-survey/>

As a token of our appreciation for completing this survey, OCUFA will be giving away **two iPad Minis** to two survey respondents. To enter the prize draw, complete the contact information request at the end of the questionnaire. If you do not wish to enter the prize draw, you can still complete the questionnaire. Please be assured that your responses will remain anonymous and your personal information kept strictly private-- your contact information will **not be linked** to your survey responses.

Thank you for your participation, we appreciate it.
Diane Beauchemin,
President, QUFA
